## We are at your appreciable orders.

At Compresores de Baja California we are committed to meeting the needs of our customers in the field of compressed air at an industrial level. **We are the only authorized Ingersoll Rand USA distributors in this area** to cover the entire Baja California peninsula and part of Sonora.

We offer sales-rentals, repair, service and spare parts of industrial type air compressors and the components in general of their compressed air lines such as: AIR DRYERS, CONDENSATE SEPARATORS, AIR STORAGE TANKS, LINE FILTERS and OIL AND WATER AEROSOL(MIST) ELIMINATORS. We also handle POLICIES/SERVICE CONTACTS for periodic inspections and / or preventive maintenances. We can tailor policies according to your needs.

We will gladly assist you in our business hours, on holidays and in emergencies 24/7.

## EXTENSIVE EXPERIENCE

We have experienced staff including: Ingersoll Rand certified, DC3 certified, and over 25 years of experience. This allows us to serve you as you deserve to be able to diagnose, maintain and repair your industrial compressed air equipment.

We are the only authorized service center for Tijuana and Rosarito of The Home Depot Mexico for the realization of warranties Husky and DeWalt air compressors brands.
